

Milestone 2
February 17th 2017

What is Ventour?

On Ventour users can create their activities, or join them.

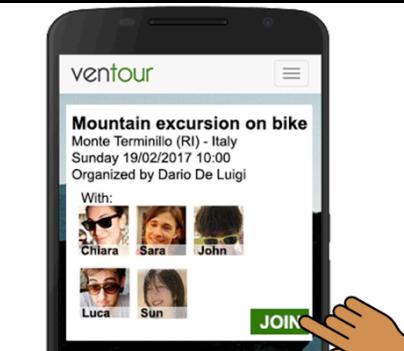

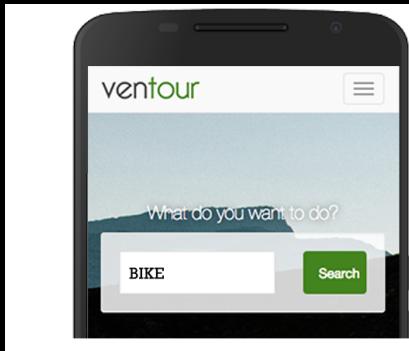

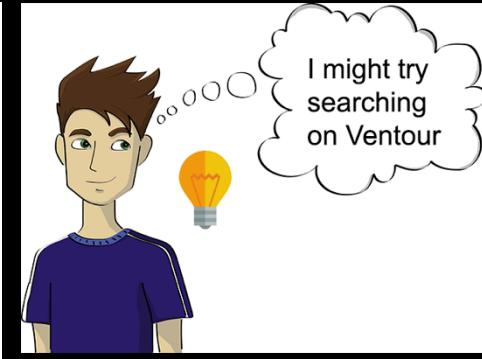

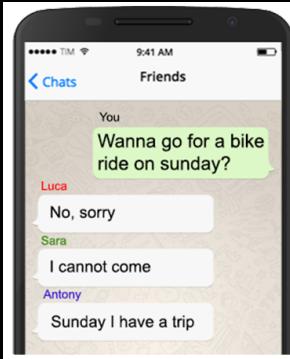

Amateur activities of all kinds. For example:

- Want to look for people joining you in a horse riding on the beach? Create an activity on Ventour and see if anyone is interested.
- Want to go out for a mountain excursion, see on Ventour if someone has organized a similar trip and join them.

Device

New Features

User data directly from Facebook profile provides:

- high quality infos
- verified users
- mutual trust between users

A screenshot of a website with a green header that says 'ventour'. Below the header is a search bar with fields for 'Activity or category', 'Rome, Italy', 'Today', and a 'Search' button. To the right of the search bar is a link 'Create your activity'. The main content area has a background image of a mountain landscape. It features a form titled 'Create your activity' with fields for 'Activity title', 'Category', 'Place', 'Start', 'Duration', 'Available places', 'Payment', and 'Description'. A large green 'Create' button is at the bottom of the form.

Possibility to create your new activity

Change on UX

Change on the interface of activities results, following users feedback.

Difference between other similar platforms

Ventour is designed to let
end users meet each other
and share their passions.

In Ventour there are activities
organized by end users.

Difficulties

- Platform implemented by just two people
- Exams
- Difficulty to link our works
- Approach with new Technologies

Road Map

Third Milestone:

- Testing on real Users
 - New features based on feedback
 - Bugfixes
 - Public Beta
 - Mentor meeting
-
- Full users profiles
 - Addition of categories
 - Adding a payment method
 - Push notifications
